### St. Patrick's Day Swivel Card

#### AGW Stamps Used:

- H2-1013 Kiss For Good Luck
- H2-1014 Shamrock Stripe Border
- J4-1079 Shamrock Border
- D5-1761 Luck of Irish
- E3-967 Shamrock St. Pat's Day

#### Supplies:

- Black Ink Pad
- Bottle Green Ink Pad
- Markers
- Ribbon Ric Rac
- Adhesive

#### Cardstock:

- 5 1/2 x 6 3/4 Med Green Cardstock Base--Trace Template on this piece
- 3 3/4 x 3 Dk Green Front Pieces
- 2 3/4 x 2 7/8 Apple Green
- 2 5/8 x 2 5/8 Black
- 2 1/2 x 2 1/2 White
- 3 3/4 x 3 Dk Green Back Pieces
- 2 5/8 x 3 3/4 Apple Green
- 2 3/8 x 3 White

Trace the template onto the medium green cardstock piece that measures 5 1/2 x 6 3/4. Score the broken lines and use an exacto knife to cut on the solid lines. Fold the score lines as indicated on

the template. This should create a piece in the center that swivels forward & back when the card is opened and closed. Open the piece flat and stamp the front in black using the shamrock stripe border. Color the shamrocks with a white galaxy marker. Stamp the back in black using the shamrock border stamp. Color the shamrocks with a white galaxy marker.

Attach the dark green pieces to the front and the back of the swivel piece. Using adhesive attach dark green ric rac to the front at each side and in the middle as shown in the sample.

Stamp the Kiss For Good Luck image on the white cardstock. Color with Markers and mat with the black and the apple green pieces. Attach to the front right edge of the dark green swivel piece. Tie a ribbon around the blank left edge—making a knot and trim the edges.

Stamp the saying and mat with the apple green piece. Attach to the center of the back of the swivel piece. Fold the card closed and you are done. It will swivel when opened and makes a nice decoration when sitting open on a shelf.
